**Babeș-Bolyai University through „Quality Assurance of University Study Programmes Through Human Resource Training and Labour Market Orientation” project (Posdru/18/1.2/G/5593)**

**in partnership with**

**British Council through „Internationalising Higher Education” project**

**organize the event:**

## **Employability and Curriculum Development Seminar** **17 november 2010**

### **Objectives:**

- To share strategies for improving the curriculum within universities;
- To emphasize the importance of employability for curriculum development;
- To support faculty staff in developing their subject curriculum and in teaching their students employability skills;
- To help academics acknowledge the employability in terms of course/study program learning outcomes, teaching and learning exercises and assessment.

### **Topics to be approached during the workshop:**

- Employability Skills;
- Assessing employability;
- Curriculum Mapping and Development;
- Strategies for developing the curriculum.

**Key lectures: Dr. Helen Day (University of Central Lancashire)**

**Participants:** academics and university member staff, heads of different university departments

**Location:** Conference Room of the Universitas Student House, 7 Pandurilor Street, Babeș-Bolyai University, Cluj-Napoca, Romania

**Date:** 17 Nov. 2010
