QUESTIONNAIRE FOR THE EVALUATION OF DIDACTIC / FORMATIVE ACTIVITIES CARRIED OUT DURING DOCTORAL STUDIES

This questionnaire evaluates the various aspects of teaching and training activities, carried out the teaching and research staff of UBB at the doctoral level, during the current academic year. Please respond in the most constructive manner possible. The answers will be processed anonymously and will not influence the evaluation of your performance; they will be used to improve the activities carried out within UBB’s doctoral study programs.

To what extent do you agree with the following statements, on a scale **of 1 to 5**, where **1** means **Strongly Disagree** and **5** means **Strongly Agree**?

The answer **Not Applicable** refers to situations in which the mentioned aspect does not apply to you for the current academic year.

		Strongly Disagree	Partially disagree	Neither agree nor disagree	Partially agree	Strongly Agree		Not Applicable		I don't know / I don't want to answer
		1	2	3	4	5				
1	The course offer was adequate in relation to my training needs for the completion of my PhD thesis.									
2	The offer of training activities (workshops, conferences, etc.) organized by/in UBB was adequate for my training needs to complete my PhD thesis.									
3	The content of the activities in which I have participated in accordance with the study plan (courses, seminars, laboratories, training activities), was adequate for my specialized training needs for the completion of my PhD thesis.									
4	Through the activities that I have participated in accordance with the study plan (courses, other training activities), I have acquired new and useful theoretical knowledge for the elaboration of my PhD thesis.									
5	I had access to information regarding the possibility of participating in other training activities organized by/in UBB, in addition to those already included in the study plan.

		Strongly Disagree	Partially disagree	Neither agree nor disagree	Partially agree	Strongly Agree		Not Applicable		I don't know / I don't want to answer
		1	2	3	4	5				
15	I had the opportunity to work in scientific research teams/projects.									
16	The activity carried out within the scientific research teams and projects helped me develop my scientific research skills, in the field of my PhD thesis.									
17	I received guidance/support for the publication of my research.									
18	In the activities I have participated in, the teaching staff promoted the interaction and exchange of ideas between fellow PhD students.									
19	My responsibilities as a PhD student (participation, tasks, etc.) were clearly communicated to me.									
20	The methods and criteria for evaluating my work were clearly communicated to me.									
21	The evaluation methods and criteria reflect the results of my work.									
22	I had access to information regarding international research opportunities (scholarships, Erasmus mobilities, summer schools, etc.).									
23	I was encouraged/supported in taking advantage of international research opportunities (scholarships, Erasmus mobilities, summer schools, etc.).									
24	In general, the quality of the activities carried out by UBB's teaching/research staff in relation to my PhD studies this academic year was...	Very Poor	Poor	Average	Good	Very Good				
		1	2	3	4	5				

25. What aspects of the activities carried out by UBB's teaching/research staff did you like the most?

26. What aspects of the activities carried out by UBB's teaching/research staff did you dislike?
